CONFUSION IN MARKET

Miscarriage of Movement Centering
in Reading Held Responsible.

PANICKY BREAK IN LEHIGH VALLEY

Meeting of Pennsylvania Directors
Today Looked Forward to as Source
of Inspiration—Storm Reports Af-
fect Stock of Railways in South.

(By Associated Press.)
NEW YORK, Sept. 21.—After making a brave start today, the stock speculation experienced some confusion in adjusting itself to some new consideration. This miscarriage of the movement which has centered in Reading will be given responsibility generally for the upset in the market, heavy unloading of that stock following the declaration of only the regular quarterly dividend of 2 per cent on the Central Railway of New Jersey stock.

In the Philadelphia stock market Lehigh Valley stock broke nearly 13 points on the Jersey Central dividend action. The disappointment in this matter brought home keenly to the speculative mind the extent to which it had been relying on vague and ill-authenticated rumors.

Since the money market resources have begun to be constricted, the stock market has given evidence of a steady movement to sell stocks under cover and to take advantage of all strong sustaining influences.

With disappointment behind them, the stock market turned to the Pennsylvania directors meeting tomorrow as a hopeful source of inspiration and make conjectures of a possible announcement of a new stock issue with subscriptions rights from that meeting. United States Steel extended its record price to 85.

Some importance was attached to the Des Moines speech of President Taft as an indication of determination to push for a strengthening of the laws to regulate corporations. The storm reports from the south bore heavily on stocks of the railroads in the region affected.

Bonds were weak. Total sales, par value, \$5,312,000. United States bonds were unchanged on call. Word to this effect was received in a telegram received tonight by the fair officials from the Curtiss Company at Hammondsport, N. The contract price for the week is five thousand dollars for which Curtiss agrees to give daily exhibitions performing all the evolutions of which the machine is capable. Curtiss will bring with him to Richmond the identical machine with which he broke world's records in France.

Sign Papers.

(By Associated Press.)
NEW YORK, Sept. 21.—William K. Vanderbilt, Jr., and his wife, formerly Miss Virginia Fair, of San Francisco, have signed a separation agreement, according to an afternoon newspaper. Mrs. Vanderbilt is now returning from Europe to America with her two children, Muriel and William K. Vanderbilt III. It is expected that the separation will be formally announced as soon as Mrs. Vanderbilt reaches New York.

Efforts by Mrs. O. H. P. Belmont, mother of Mrs. Vanderbilt, and Mrs. Herman Oelrichs, sister of Mrs. Vanderbilt, to avert the separation were without success.

BLOW TO STANTON "WETS."

Court Fails to Sustain Charge of Il-
legal Voting.

(By Associated Press.)
STAUNTON, VA., Sept. 21.—A blow was dealt the "wets" in the contest being held over the recent local option election when, this afternoon, the court failed to sustain a charge that seventeen persons, whose names were not on the treasurer's books, voted illegally.

The "wets" will now have to produce twenty persons who voted illegally on July 22, or the city will be dry after October 22.
